ADDITIONAL FACILITIES PROVIDED TO SC & ST STUDENTS, IF ANY:

- ❖ **Additional Books and Browsing center provided.**

SC/ST cell to facilitate scholarships.

- ❖ **Our institution has constituted SC/ST/OBC cell during February 2018 as per the AICTE Norms and is effectively looking into the welfare of SC/ST students admitted for various courses available in the college. The cell also assists the students to apply for scholarship offered by various schemes of the Government of Karnataka and Government of India.**

BRIEF REPORT OF THE ROLE OF CO-OPERATIVE SOCIETY, IF ANY, ATTACHED TO THE COLLEGE:**NIL****ANY OTHER SPECIAL FEATURES, MENTION BRIEFLY:**

- ❖ **Proctorial System.**

The “Proctorial system” or mentoring system is the strength of the Institute wherein every teacher serves as a mentor / proctor for 20 students. The Head of The Institution/Principal Dr. H. S. Ramesh Babu is the Chief proctor supported by Head of the departments who are the Deputy proctors. This will help in overall development of the student in his/her academic growth and also in personality development. The silent features of our proctorial system are as listed below.

- **The academic and personal details of the students are collected by their respective proctors in the very first year of their academics and proctor will maintain Proctor record of every student.**
- **The proctor meets his/her proctees once in fifteen days and also more the situation demands.**
- **The Proctor continuously counsels his/her proctees with respect to their Academic progress and personality development.**
- **The chief proctor closely monitors the chronic cases referred by the proctors and such cases will be summoned to the proctee parents in view of academic progress of the student.**

- The proctors also correspond with the parents of their respective proctees through our software SVAS(Sai Vidya Automation Software) where a SMS will be sent to parents regarding their attendance status on daily, weekly and monthly basis and academic progress after every internal assessment test.
- The SVAS access was given to both parents and students where they can check their academic progress regularly.
- Every proctor will have a Proctor–Proctee and Proctor–Parent what’s app group, through which all administrative and academic related matters like calendar of events, exam circulars, parent-teacher meeting circulars etc. will be shared to parents and students.

Outcome Based Education (OBE) Practices:

- OBE describes core organizational values as long term objectives in connection with high level goals for the future.
- The institute is in line with the OBE practices as specified by National Board of Accreditation(NBA).
- Every department has stucked with founding purpose and day-to-day operational objectives with regard to organizational commitments. Vision-Mission of the individual departments along with Vision-Mission of the institution has been displayed in all accessible areas.

NPTEL Local chapter.

- ❖ NPTEL Local Chapter was started in Sai Vidya Institute of Technology during March 2016. Prof. Abhijith H V, Assistant Professor, Dept. of ISE is the SPOC. Every year many students were motivated to register for NPTEL courses. From the academic year 2018-19 onwards every program maps 2 NPTEL courses for each semester. Students are supposed to enroll and take up assignments in the mapped NPTEL courses. These assignments marks are considered for Internal Assessment Component – 2. Every year many students register for NPTEL certifications.

Online Courses: MOOC and NPTEL

- The institute has a policy that every student from second, third and fourth year has to take at least 2 MOOC/NPTEL courses in a semester and the same has been mapped for the awarding the marks of internal assessment component 2.
- Every year more than 2000+registrations for these online courses, out of which 100-150 students are getting certification by clearing the online exams.
Process oriented guided interactive learning (POGIL):
- The students are motivated and guided to take up quiz competition, poster presentation, mini project and seminar in their relevant courses.
- The top two students in that course will be awarded with a certificate. The participation certificate will be issued to for every student who participated in the activity.
